

Miami Arts Studio 6-12 @ Zelda Glazer Magnet
School Band Handbook 2020-21
John Bixby & Erich S. Rivero, Band Directors

Preface: The Miami Arts Studio Band Commitment

Proficiency on a musical instrument and a refined technique takes time and effort. Being in the Miami Arts Studio Band as an instrumentalist is not merely an "activity"; it is a lifestyle, a commitment, and an academic endeavor. You are about to embark on an exciting, important experience that you will cherish for the remainder of your life. You will make new friends, devise new goals, and enjoy success through arduous work.

Contained in this packet are rules, guidelines, and expectations that you will agree to follow. You are going to be asked to sign a contract that will state your acceptance of the contents of this packet. Should you not fully understand any statement, guideline, rule, or the necessity of any rule, you need to communicate your concerns and questions to the band director prior to signing any agreement contained herein. Should a conflict arise between the band and another school activity, sport, community activity, or a job, you will be expected to remain committed to the band. Your grade depends upon it.

In 2000, the State of Florida began to recognize fine arts courses as core curriculum when considering a student's G.P.A. for admission to college. Students who miss rehearsals or performances as a part of home punishment may place their grade in jeopardy. If you would like suggestions or guidance for alternatives to using band classes to discipline your child, or If you have any other questions about this policy, you may contact the band director at 305-485-2323 Ext 2247.

This handbook contains guidelines that may be revised throughout the course of the year. Revisions may be sent home to parents through students. Rev. 8/30/2020.

Section 1: Program Philosophy & Objectives

The directors and staff are committed to developing a well rounded, expressive student that not only is a fine performer, but demonstrates a heightened sense of personal/social skills which include, but are not limited to: team work, promptness, responsibility, conduct, and effort. Also important is the desire to emphasize artistic expression through music or dance as a top priority. Band students will be able to demonstrate proficiency on a wind or percussion instrument through performance and practice. They will demonstrate music literacy in relation to reading music, as well as expressive and stylistic nuance associated with a piece of music. Furthermore, the student will demonstrate characteristics associated with good musicianship including, but not limited to: tone, posture, rhythmic accuracy, instrument care and maintenance, and social and conduct skills associated with performing ensembles. Specific classroom objectives are derived from the MENC National Standards for Music Education and are also cross-referenced using the benchmarks outlined within the *Sunshine State Standards*.

MENC National Standards for Music Education

1. Singing, alone and with others, a varied repertoire of music.
2. Performing on instruments, alone and with others, a varied repertoire of music.
3. Improvising melodies, variations, and accompaniments.
4. Composing and arranging music within specified guidelines.
5. Reading and notating music.
6. Listening to, analyzing, and describing music.
7. Evaluating music and music performances.
8. Understanding relationships between music, the other arts, and disciplines outside the arts.
9. Understanding music in relation to history and culture.

Section 2: Attendance Policies

The key to success for any performing group is regular attendance. The directors and staff make a conscious effort to provide all students and parents with the earliest possible notification of all events. We also adhere to a 72-hour notice policy regarding rehearsals and performances mandating that students will not be required to attend any rehearsal, sectional, or performance scheduled by staff without a minimum of 72 hours notice.

DAILY CLASS ATTENDANCE

- Band students will report to their assigned seat in the band room with a working instrument, all necessary accessories, pencil, music, and a music stand no later than 3 minutes after the tardy bell rings.
- Only tardy passes from administrators will be accepted without prior approval from the band director. Students must confer with the director prior to any appointment or make-up test they desire to schedule with a teacher or counselor.

ABSENCES

- Students will strive for perfect attendance.

- Following an absence, the student must provide a note from a parent or guardian explaining the nature of the absence. Parents should also get all absences cleared through the school attendance office.
- Any absence from rehearsals, excused or unexcused, may result in the forfeiture of a performing spot.
- While the school is on a digital online platform the attendance will be taken during the first fifteen minutes of class. The student is required to have the video on at all times during the class. **In the event the video is not on the student will be marked as absent.**

PERFORMANCES

- Students are expected to attend every performance.
- The director must be notified in writing of any pre-arranged absence that conflicts with a scheduled performance in this handbook's published calendar.
- Performances include, but are not limited to; pep rallies, band competitions & all FBA Music performance Assessments, parades, Miami Arts Studio Honor Band, Miami Arts Studio Concert and Jazz Camps, and the winter and spring concerts and recitals.

WORK

- Work is not an excuse to be late to, or to miss any practice or performance.

Any student who finds that work interferes with attendance may be excluded from remaining activities at the discretion of the director. Officers may be removed from their position for missing a band event due to work.

MEDICAL APPOINTMENTS

Since most ensembles only rehearse one day a week, parents are requested to make a reasonable effort to schedule medical appointments at times so that they will not interfere with scheduled events. Please make every effort to schedule medical appointments during *off days* or teacher planning days (unless a rehearsal is scheduled). Students are reminded to follow the policy regarding notifying the director prior to any absence and then following it up with a note, in this case, a note from the medical office in which you visited

ORTHODONTIC AND DENTAL PROCEDURES

Since wind players use their mouth to perform on their instrument, orthodontic adjustments and dental procedures can, and do, have a great impact on the student's ability to perform. Parents are requested to schedule orthodontic and dental procedures no less than two weeks prior to a performance. Major work may require a longer time period. Consult with your orthodontist or dentist if you have any concerns. This request would obviously exclude emergency work.

CALENDAR

A calendar is provided and updated regularly on Miami Arts Studio Band magnet website which is located at www.masbandmiami.com to help students and parents plan to avoid personal family conflicts with scheduled performances and rehearsals. Because dates of events are subject to change throughout the year, updated calendars published on the website regularly, and posted throughout the year. Please take note and plan to make arrangements for those practices and performances that may be scheduled when class is not in session. Family trips need to be scheduled during times when they do not interfere with performances.

GRADE REQUIREMENTS

FIELD TRIP ELIGIBILITY

ENSEMBLE ELIGIBILITY

In order to promote maximum impact, students will be divided into ability levels based primarily upon a yearly entry-level audition occurring in May or at their Magnet Audition. Once scores have been tallied, students are placed in one of three ensembles based upon instrumentation requirements, and their audition scores. An open chair audition occurs in August for any chairs that remain open following the May auditions. Some students who want to participate on a higher level may choose to crossover to other needed instruments such as bass clarinet, bassoon, or French horn. They may audition for open chairs in the Fall provided they do so on the instrument they intend on performing in class. During the first week of class, all students review performance fundamentals such as tone production, and technique. Technique is assessed by a Scales test during the second week of school. Reseating is also determined by the results of this assessment.

Section 4: Grading

Everyone expects an "A" in a band or dance class elective. Although many students receive an "A", the fact remains that it is earned, not given. Just like all other academic classes, your grades will be determined by the course objectives as stated in **Section 1: Program Philosophy and Objectives**.

COMPUTATION OF GRADES

Academic, Effort, Conduct

- All Tests, Worksheets, Classroom Evaluations, Playing Tests, and Performance Grades are averaged to produce an Academic Grade.
- Each performance is awarded 6 letter grades that are averaged into the academic grade for the grading period in which it was earned.
- Each student begins the grading period with a "1" in effort. Consistent failure to bring instrument and supplies, or participate in daily classroom activities will lower the effort grade.
- Each student begins each grading period with an "A" in conduct. Consistent failure to adhere to the rules of conduct as outlined in this handbook will lower this grade. Other disciplinary consequences may also apply.

Grading Policy:

1. Daily participation
2. Individual performance checks
3. Written assignments
4. Written tests/quizzes
5. Bringing required materials

A=superior, virtually flawless

B=Excellent, minimal oversight

C=average

D=below average

F=unacceptable

Section 5: Conduct

In order to maximize rehearsal time and to maintain the stability of the band, certain codes of conduct are emphasized. Students must understand that we rehearse as a group, perform as a group, and are judged as a group. The quality of the group will only be as good as the weakest member. The consequences for failing to follow any of the following guidelines may result in one or more of the following actions: detention, forfeiture of a performance spot, exclusion from a performance. Repeated or deliberate infractions may result in one or more of the following: school referral, and withdrawal from the class. Refer to the M-DCPS Student Code of Conduct for further information. Poor student will result in being put on probation and if conduct does not improve the student will be removed from the Magnet program and school as stated in the Miami Arts Student Magnet Agreement Form.

- Financial obligations to the Maverick Music Parent Association or Miami Arts Studio Band Magnet must be resolved prior to departure or the student and or parent will not be able to attend the trip.

Section 6: Uniforms

Because of their design, the uniforms make being a band member just that much more special than other organizations. When required, the uniform is to be worn in its entirety. It is to be worn with pride and dignity. When you wear your uniform you are representing your school, the band, the community, and the state of Florida, and the traditions and the honors earned by the members of the group before you.

There will be an inspection before every performance. Each member is to report for every turnout in complete uniform. Inspecting officers and directors will instruct you as to procedures. Inspection is a PASS/FAIL situation. You cannot "almost" pass inspection. If you fail inspection, you may be excluded from performing until you pass inspection.

It is each member's responsibility to obtain a complete set of uniforms. It is the student's responsibility to notify the band director of any financial condition that might preclude them from purchasing a uniform prior to the posted deadlines.

Maverick Music Parent Association.

All parents and students are encouraged to participate in this organization. Parent volunteers who have been nominated and elected by the general membership run the organization. The Maverick Music Parent Association consists of Orchestra and the Band Magnets Parents. All parents are considered members if their child participates either organization. The Maverick Music Parent Association functions as a separate entity from Miami Arts Studio 6-12@ Zelda Glazer School and publishes its own set of rules referred to as the Maverick Music Parent Association Constitution and By-laws. This organization is a recognized as a non-profit organization and charitable contributions are always welcome.

INSTRUMENTS

The band has a limited number of instruments for rent. Students who play flute, clarinet, saxophone, trumpet, or trombone may need to obtain an instrument from an outside vendor. Students are responsible for the care and maintenance of all instruments issued to them. Students are not permitted to touch, hold, loan, or play an instrument except their own. Instruments must be placed in the designated storage area with cases latched when not being used. Personal items, including mouthpieces, should never be left in instrument case while not in use. All instruments should go home daily; the band storage cabinets are for convenience only.

- Brass players will provide their own mouthpiece.
- Woodwind players will provide their own mouthpiece, ligature, and reeds.
- Percussionists need to supply their own mallets and beaters. All percussionists will be held accountable for the storing, securing, and maintenance of all school percussion instruments and mallets prior to and after every rehearsal. All percussion students must complete an instrument rental agreement prior to using any school equipment.

COMMUNICATION

Throughout the year, memos containing pertinent information are signed out to students. It is the student's responsibility to deliver these memos to their parents. The memos will also be posted on the website with any information flyers.

FUNDRAISING

The band program is an enormous vehicle that depends on money from a variety of sources in order to function properly. Although we are fortunate to have adequate financial support from our school, students are required to share in the expense by completing a fee sheet and following through on financial obligations. You must realize that the fee schedule enclosed in this handbook does not cover all of the expenses incurred by the students. **YOU CAN GREATLY REDUCE YOUR FEE EXPENSE BY PARTICIPATING IN FUND-RAISERS!** To help provide students with uniforms and accessories, The Maverick Music Parent Association organizes and runs

numerous fund-raisers throughout the year. Look for flyers, announcements, and newsletters that are periodically sent home describing current fund-raising opportunities.

Throughout the year, the Maverick Music Parent Association may sponsor carwashes and other fundraisers to help pay for fee assessments or raise money for the band. These activities may be organized and supervised by parent volunteers associated with the band patron organization and not M-DCPS personnel. It should be noted that roadside sales or donations (a.k.a. "Highway Holdups") are strictly prohibited, and are not condoned by the CBPI, or M-DCPS. Furthermore, students are not to hold signs in the median or near busy intersection. The Maverick Music Parent Association is bound by the Miami Dade County Public School Booster Bylaws Regulations.

School Board Rules Regarding Secret Societies

6Gx13- 5C-1.041

ORGANIZATIONS-FRATERNITIES AND SORORITIES

I. Florida Statutes (paraphrased)

232.39 – Secret societies prohibited in public schools

- (1) It is unlawful for any person, group or organization to establish a fraternity, sorority or other secret society in the state whose membership shall be comprised in whole or in part of pupils enrolled in any public school

- (2) A secret society shall be interpreted to be a fraternity, sorority or other organization whose active membership is comprised wholly or partly by taking in members from the pupils enrolled in public schools on the basis of the decision of its membership rather than the right of any pupil who is qualified by the rules of the school to be a member.

232.41 – School board may prescribe regulations

II. Specific Regulations G. Evidences of Membership

The following may be accepted as reasons for invoking the (M-DCPS) procedures and, if necessary, the penalties described (in subsection H).

1. The student's own statement to membership
2. A student's displaying any decals, wearing of any insignia, or special clothing known to be associated with such an organization.
3. A student's participation in hazing or other fraternity activities.

ORGANIZATIONS-SECRET SOCIETIES

Participation on the part of junior and senior high school students in fraternities and/or secret societies is contrary to Florida law. Each student is required to sign a pledge that the student does not belong to, and will not join, such an organization while enrolled in the public schools. Parents are also required to sign this pledge to indicate they are familiar with the illegality of secret societies, and that they know the student has signed such a pledge. Recent legislative action has also declared hazing a criminal offense.

The signature of the student and a parent/guardian on the Band Fee Sheet & Contract constitutes acknowledgement of these policies and fulfills the requirements of signing a pledge as outlined above.
